Dear Charlie:

Many thanks for your letter of March 10 together with the various enclosures.

The material is most interesting and I have referred it to the appropriate people here in order that we may take advantage of any of the ideas and special knowledge of the individuals which we might not already be utilizing.

I very much appreciate your taking the time to assemble and forward all of this data and I will see to it that the copy of "Moslems in China" is returned to you as soon as our specialists have had an opportunity to examine it.

Sincerely,

Allen W. Dulles
Director
